

Privacy Policy

Last updated: August 9, 2026

Welcome to the website. Your privacy is important, and therefore we are aiming to collect as little personal information as possible.

1. Information We Collect

This website is designed primarily to provide free music-themed crossword puzzles and related content. Since we don't need any personally information we don't require, or deliberately collect, it from visitors. But this may still occur related to used third-party services.

1.1 The Fault Report Form

The only information we ask you to voluntarily provide is through our Fault Report Form, where you may choose to enter:

- An alias, nickname, or signature (optional)
- A description of the issue you wish to report

This form is intended to be the main method used by visitors to communicate faults, feedback, or requests, which in most cases should not require an answer. We do not request names, email addresses, phone numbers, or other personal identifiers through this form.

1.2. Contact by Email

There is an email address (@gmail.com) on the website that you can use to contact us. The email address is provided and operated through Google's Gmail service.

When you click on the email address, the email service or email application you have chosen on your device will open. The website itself does not automatically gain access to your email address or the content of your message when you click the link.

If you choose to send an email to us, we process the personal data you provide in your message, such as your email address, your name, and any other information you choose to include. The personal data is processed for the purpose of reading, responding to, and handling your inquiry. We retain the information only for as long as necessary for these purposes.

Because the email service is provided through Google's Gmail service, your email and the personal data contained in it may also be processed by Google in accordance with Google's applicable terms and privacy policy. For information about how Google processes personal data in connection with Gmail, please refer to Google's privacy information.

Please use email only when an answer is required. For reporting faults, feedback, or requests, please use the Fault Report Form, which is our main method of communication. Please do not send sensitive or other particularly private personal information by email unless it is necessary.

2. Website Hosting

2.1 Cookies

This website is hosted on Wix, which uses essential cookies and similar technologies required for the website to function properly.

These cookies may also be used for:

- Security and fraud prevention
- Website functionality
- Performance monitoring and diagnostics

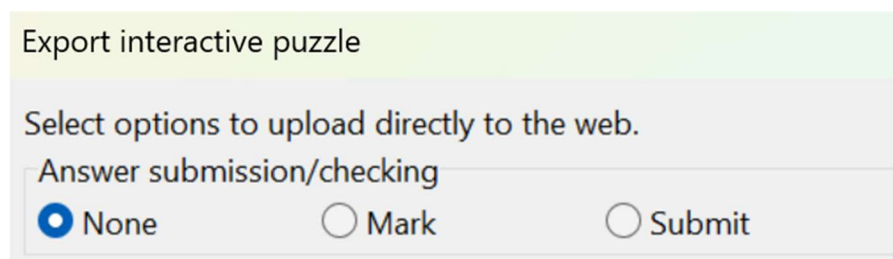

For more information about Wix cookies, please refer to Wix's official documentation.

2.2. Blogg/News

This website uses the Wix blog function to publish news and information related to the website evolvment and new content. These blog posts are public. Note the website has no members and blog posts are published by the website owner only. Blog comments are inactivated and prevents visitors to add information, including personal, to the website. Inactivation also facilitates maintaining the website owners responsibility related to the website content.

3. Crossword Compiler

Interactive crossword puzzles are created using Crossword Compiler and published through Crossword Compiler's online publishing service. Each crossword is accessed through its own published URL and embedded or linked from the Website. The crossword is solved interactively within your browser, and no submit is performed when you have completed the Crossword.

The image shows a screenshot of a web interface for exporting a crossword puzzle. It features a light green header bar with the text 'Export interactive puzzle'. Below this is a light gray box containing the instruction 'Select options to upload directly to the web.' and a sub-header 'Answer submission/checking'. Underneath, there are three radio button options: 'None' (which is selected with a blue dot), 'Mark', and 'Submit'.

4. Google Forms

This website includes interactive quizzes hosted using Google Forms, which need interactions with Google to work. When you interact with a Google Form, your data is processed by Google in accordance with Google's Privacy Policy. During development of the forms, we try to use settings that will minimize personally identifiable information.

5. Links to Spotify Playlists

One page include links to publicly available Spotify playlists, all created by the site owner. When you choose to open a playlist, it will be played through your own Spotify application and Spotify account. Your interaction with Spotify is governed by Spotify's own Privacy Policy and Terms of Service. We do not receive information about your Spotify account, listening history, or activity.

6. External Websites

The Website may contain links to external websites. We are not responsible for the privacy practices or content of those websites.

7. Third-Party Services

This website relies on the following third-party services:

- Wix (website hosting and operation)
- Crossword Compiler (Interactive crosswords)
- Google Forms (interactive quizzes)

These services may process technical information such as your IP address, browser type, or device information as necessary to provide their services. Such processing is governed by their respective privacy policies.

8. Data Retention

Information submitted through the Fault Report Form is retained only for as long as necessary to investigate and resolve reported issues.

9. Your Rights

Depending on your location, you may have rights regarding your personal data under applicable privacy laws, including the right to request access to, correction of, or deletion of any personal information that we may hold about you. If you still suspect we hold personal information about you, and you wish to exercise these rights, please contact us using the contact information provided on this website.

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page together with the updated revision date.
